As authorized by Education Code, Section 45028, teachers are allowed salary credit for previous satisfactory K-12 credentialed teaching experience up to the maximum step on the appropriate column on the salary schedule, excluding career increments. For purposes of this Section, a total school year is defined as a period from the first day of the professional assignment through the final day of the regular professional assignment. If a teacher has served under contract for fifty (50) percent or more of the total school year or a full semester; has worked as a substitute teacher for one hundred thirty-five (135) days in one (1) school year; or has a combined service of one hundred thirty-five (135) days in one (1) school year under contract as a substitute teacher or hourly teacher, credit will be given for one (1) year of experience.
- b. **Adjustment for Previous Experience:** Verification of satisfactory K-12 credentialed teaching experience must be provided within the first three years of employment with the District. If an employee is hired by September 1 of the first year of employment, verification must be received in Human Resource Services by November 1 and salary schedule placement adjustment is retroactive to the beginning of that fiscal year. If verification is received after November 1, salary schedule placement adjustment will occur the following pay period.

#### 2. Experience Other Than Teaching:

- a. In evaluating an applicant’s experience other than teaching, the District may allow a maximum of four (4) steps on the salary schedule when this experience will contribute directly to the effectiveness of the major assignment for which the applicant is being considered. Two (2) years of experience under this provision are evaluated as equal to one (1) step on the salary schedule. This experience cannot be concurrent with credit for teaching experience, but part-time work experience might be combined with part-time teaching. Verification of not less than eleven (11) months of consecutive work of not less than twenty (20) hours per week may be computed as the equivalent of one (1) year toward the two-for-one requirement for work experience credit. In computing work experience on more than one (1) job, any interruption of service beyond one (1) month shall break the consecutive requirement, unless the prospective employee returns to the same position, with the same employer, within six (6) months without having been gainfully employed by another employer during that time. Partial years of credit are not additive.
- b. Effective 7/1/2015, nurses and school librarians are given one (1) year of credit for one (1) year of full-time work experience in a non-school setting as a nurse or as a librarian up to the maximum step on the appropriate column on the salary schedule, excluding career increments.
- c. In addition to the current rules for salary schedule placement purposes, for purposes of initial placement on the salary schedule, qualified Speech/Language/Pathologists/Specialists hired on or after July 1, 2006 to work in speech and language

positions shall be allowed one step on the salary schedule for each year of verified work experience as a Speech/Language/Pathologist/Specialist in a non-school setting up to the maximum step on the appropriate column on the salary schedule, excluding career increments.

d. **Military Service.** Military Service is credited as prior teaching experience only if the applicant actually taught while in the service in the field for which he/she is to be employed.

3. **Tentative Salary Placement.** Applicants who are considered favorably are asked to sign a statement relative to initial salary placement that is mutually agreeable at the time of employment. Signing the "Tentative Salary Placement" form indicates that the initial salary stated thereon is mutually agreeable. Additional official, verified salary information presented by November 1 or sixty (60) calendar days after initial date of employment, which might indicate a need for change, will be considered. If a salary change is warranted, the adjustment will be retroactive to the first day of paid service in the school year in which the official, verified information is reached.

4. **Salary Schedule Placement:**

a. Certificated employees who are given a contract are placed initially on the salary schedule in accordance with training completed at an accredited college or university before the first day of their contract year.

b. A teacher employed by the Long Beach Unified School District is placed on a step of the salary schedule in accordance with his/her experience. A teacher is advanced year by year, until reaching the maximum step on the schedule, provided he/she is under contract a sufficient number of days each year and qualifies for advancement.

c. **Beginning Teacher Salary Incentive Program.** Since 1999 the District has participated in the Beginning Teacher Salary Incentive Program. District participation is contingent on the continuation of special State funding to support this program. As a result of continuing District participation, K-12 teachers holding a valid California credential and assigned to specific schedules, columns, and steps listed below shall be compensated at an annual rate of pay greater than that provided to new employees who do not hold a valid California credential.

## PROVISIONS FOR ADMINISTRATION OF CHILD DEVELOPMENT CENTER/HEAD START/EDUCARE SALARY SCHEDULES\*

("Teacher" as used in this narrative is a generic term that is applied to all certificated employees.)

### A. REQUIREMENTS RELATIVE TO INITIAL PLACEMENT ON SALARY SCHEDULES

1. Teachers in Child Development Centers and Head Start Programs must hold a valid Children's Centers Permit or, in lieu of the permit, a Standard Teaching Credential deemed by the Commission on Teacher Preparation and Licensing to be equivalent to the Children's Centers Permit.
2. **Teaching Experience:** As authorized by Education Code, Section 45028, teachers in Child Development Centers and Head Start and Educare Programs not previously employed by the District as a teacher during the five (5) years (sixty [60] calendar months) prior to the date of hire are allowed credit for previous satisfactory teaching experience up to the maximum step on the appropriate column on the salary schedule. If a teacher has served under contract for fifty (50) percent or more of the total work year; has worked as a substitute teacher for one hundred thirty-five (135) days in one (1) work year; or has a combined service of one hundred thirty-five (135) days in one work year under contract and as a substitute or hourly teacher, credit will be given for one (1) year of experience. "Day" shall be defined as actual days worked.
3. **Experience Other Than Teaching:** In evaluating an applicant's experience other than teaching, the District may allow a maximum of four (4) steps on the salary schedule when this experience will contribute directly to the effectiveness of the major assignment for which the applicant is being considered. Two (2) years of experience under this provision are evaluated as equal to one (1) step on the salary schedule. This experience cannot be concurrent with credit for teaching experience, but part-time work experience might be combined with part-time teaching. Verification of not less than eleven (11) months of consecutive work of not less than twenty (20) hours per week may be computed as the equivalent of one (1) year toward the two-for-one requirement for work experience credit. In computing work experience on more than one (1) job, any interruption of service beyond one (1) month shall break the consecutive requirement, unless the prospective employee returns to the same position, with the same employer, within six (6) months without having been gainfully employed by another employer during that time. Partial years of credit are not additive.
4. **Military Service.** Military Service is credited as prior teaching experience only if the applicant actually taught while in the service in the field for which he/she is to be employed.
5. **Tentative Salary Placement.** Applicants who are considered favorably are asked to sign a statement relative to initial salary placement that is mutually agreeable at the time of employment. Signing the "Tentative Salary Placement" form indicates that the initial salary stated thereon is mutually agreeable. Additional employment verification information presented by November 1 or sixty (60) calendar days after initial date of employment, which might indicate a need for change, will be considered.
6. **Salary Schedule Placement:**
  - a. Certificated employees who are given a contract are placed initially on the salary schedule in accordance with training completed at an accredited college or university before the first day of their contract year and verified before November 1 or sixty (60) days after initial date of employment.

- b. A teacher employed by the Long Beach Unified School District is placed on a step of the salary schedule in accordance with his/her experience. A teacher is advanced year by year, until reaching the maximum step on the schedule, provided he/she is under contract a sufficient number of days each year and qualifies for advancement.

## **B. CREDIT ON THE SALARY SCHEDULE FOR ADVANCED WORK**

1. All college or university credit shall be from an accredited institution.
2. Placement on Column 302, 502, 312, 124, or 334 is dependent on verification of ninety (90) or more units. All units above sixty (60) to be upper division and taken at a four-year college or university.
3. Placement on Column 303, 503, 313, 317, 323, 125, 335 or 513 is dependent on verification of a Bachelor's Degree.

As of April 24, 2005 placement on columns 306, 316 (E3), 315, 319, 325, 336, 506, 516, or 126 is dependent on verification of twenty-eight (28) semester hours of upper division or graduate work beyond the Bachelor's Degree. Extra units earned prior to receiving the Bachelor's Degree shall not be accepted for placement on the scale on one (1) year above the Bachelor's Degree unless extra units are of graduate standing, were not counted for the Bachelor's Degree, and are so indicated on the transcript.

4. Responsibility for reporting advanced work by deadlines rests with the certificated employee. It is the responsibility of the employee to submit official sealed transcripts to Human Resource Services.
5. An employee must complete all requirements prior to the first day of the contract year in order to qualify for placement on a higher salary scale. The date shown on the transcript indicating conferral of the degree will be considered the official date for this placement.
6. Travel in the United States or in foreign lands is not credited for advancement on the salary schedule unless credit for the travel has been granted by a college or university recognized by the California State Department of Education.
7. After the Bachelor's Degree, courses for upgrading on the salary schedule must be of upper division or graduate standing. After election to the District and after the Bachelor's Degree, exceptions may be made for **prior-approved** lower division transfer credit courses and post-baccalaureate professional courses provided they are related to the present assignment of the employee. The granting of salary credit to any employee for such lower division courses will be limited to a maximum of nine (9) semester hours during the entire time of the employee's service with the District. Request for exceptions must be received by the Human Resource Services. Receipt of such requests must be made six (6) weeks prior to the first day of attendance in the course and be approved by an Educational Mission: Innovation Advancement Committee (EM:IAC). The Association currently appoints four (4) bargaining unit members to this committee.
8. Exceptions to the requirement that all course work (units) must be taken at an accredited college or university may be made by recommendation of the Educational Mission: Innovation Advancement Committee (EM:IAC) and the approval of the Deputy Superintendent of Human Resource Services. This committee is empowered to grant credit on the salary schedule for successful completion of in-service courses offered by the Long Beach Unified School District which (a) involve attendance at sessions equivalent in time to college or university courses at the same unit value, (b) involve participation and related work equivalent to

that required in college or university courses of the same unit value, (c) provide needed in-service opportunities not otherwise readily available, and (d) are found by the committee to be in the best interest of the instructional program of the District. The Deputy Superintendent, Human Resource Services has final approval authority relative to the granting of salary credit.

Upper division, graduate level or qualifying professional units will apply towards salary schedule placement advancement with the submission of official transcripts. "Qualifying professional units" refers to coursework that meets one of the following requirements: 1) Professional coursework that is required for a credential or certificate (i.e., CLAD, BCLAD) issued by the California Commission on Teacher Credentialing ("CCTC"); or 2) Upper division or graduate level courses which are designated as professional courses for educators by the accredited college or university.

### **C. SALARY INCREMENTS**

Increments are granted to certificated employees who have been compensated for fifty (50) percent or more of the work year and under contract or who have combined service of one hundred thirty-five (135) days in one (1) school year under contract or as a substitute teacher. Any exception to this policy requires specific approval of the Board of Education.
2. A probationary employee who has earned an increment is entitled to said increment provided the employee is reelected any time during the immediate subsequent school year. If, however, a school year or more intervenes, the employee is not entitled to a salary that exceeds the maximum entrance salary.
3. An employee who at the time of resignation was classified as permanent and who is, or has been, re-employed under contract within thirty-nine (39) months after the last day of service, shall be classified as and restored to all rights of a permanent employee, except as specifically limited by law.
4. A certificated employee who has a leave of absence (a) to serve as a member of the Peace Corps outside the United States, the Domestic Peace Corps (Volunteers in Service to America), or the Job Corps; (b) to teach in a foreign country; or (c) to take advanced professional and academic training is entitled to an increment, the same as though he/she had been regularly employed. To receive such increment, the service or study during the period of leave must be verified. In order to qualify for the increment following a leave of absence for advanced professional and academic training, an employee shall verify that he/she undertook a full load as defined by the institution attended. A transcript of work taken and grades earned shall be filed before returning to duty.
5. A certificated employee who is granted a military leave is entitled to such increment as would have been received had the employee remained in active service with the school district.
