

Yes on 15

SCHOOLS & COMMUNITIES FIRST

Voting Yes on Prop 15 to put Schools & Communities First will:

- Reclaim \$12 billion per year for K-12 schools, community colleges and local communities
- Close commercial property tax loopholes that corporations and wealthy investors use to avoid paying their fair share of property taxes
- Protect all homeowners and renters by maintaining tax protections for ALL residential property
- Ensure strict accountability so that money goes directly to our schools and communities

Prop. 15 is key to California's recovery and reinvestment:

- The state of California, along with local governments and school districts, face budget crises of historic proportions. Communities are now faced with the prospect of devastating cuts to essential workers, local services, and schools.
- Now more than ever, those essential workers, critical local services, and schools on the front lines deserve our support. Prop. 15 does just that.
- Prop. 15 will be key to California's recovery and reinvestment strategy, and the investments generated by this initiative represent vital resources that will go towards how California rebuilds after this crisis. The initiative will generate \$12 billion every year for local governments and schools by closing corporate tax loopholes benefiting a fraction of those at the top, not nickel and diming Californians.
- Prop. 15 protects homeowners and renters, small businesses, and agriculture from any changes.
- We simply can't afford corporate tax loopholes at the expense of essential workers, critical local services, and schools.
