

ARTICLE VII

Leaves of Absence

A. LEAVES OF ABSENCE (GENERAL):

- 1. All provisions of this Section are controlling for the specific leaves of absence identified in Sections B. and C. of this Article.
- 2. Except for illness or other equally grave emergency as defined in this Article, a leave of absence is discretionary on the part of the District and will be granted only if it has been determined that a competent substitute is available.
- 3. Discretionary leaves of absence, including personal leaves, will not normally be granted during the first and last week of any school year. Exceptions shall be made for approved leaves for illness, grave emergency or religious observance.

Any leaves which might be granted during periods described above will be on a case-by-case basis and will not be precedent in future cases.

- 4. When approved, leaves of absence without pay for personal business, vacation or recreation shall be limited to a maximum of five (5) consecutive workdays.
- 5. The District shall determine procedures on employee responsibilities for application, notification, and verification regarding use of all authorized leaves of absence. Employees shall be advised of such procedures. The District shall consult with the Association prior to modification of such procedures. Upon request, the District shall annually provide to the Association a copy of all forms, procedures and Board of Education adopted policies related to this Article.

6. **Return from Leave of Absence:**

- a. Any employee returning within the same work year from sick leave, bereavement leave, statutory leave, judicial leave, personal necessity leave, or Family and Medical Leave Act FMLA or California Family Rights Act (CFRA) shall return to the same position assigned previous to the commencement of the leave.
- b. Any employee returning from a leave of absence other than as described in 6.a., shall be assigned to a position where an opening exists and within the credential area and division/special service area assigned previous to the commencement of the leave. Notification of intent to return to service must be submitted on or before the first day of March by the employee who plans to return at the beginning of the first semester of the following school year, or ninety (90) days before the expiration of the leave if an employee is

1 returning at another time during the year. Priority consideration for

- j. **Disability.** Granted to an employee who has been approved by the State Teachers Retirement System to receive a disability allowance. The period of such leave will be the term of the disability but not more than thirty-nine (39) months from the date of approval of the disability allowance.
 - k. **Position Leave.**

Probationary, and special contract employees are eligible for only the following unpaid leaves: rest and recuperation; child care; military service; disability; FMLA/CFRA leave (if employed at least twelve months, which need not be consecutive); and in the most extraordinary circumstances, leaves for other reasons deemed sufficient by the Board of Education.

Use of reduced pay or unpaid leave of absence reduces the employee’s STRS service credit for that year. STRS service is credited in proportion to the amount an employee actually receives in compensation compared to the amount that employee would have received had he/she been compensated for the full year (earned divided by the total earnable).
 4. Current PERS regulations state that an employee must be in paid status for 1,740 hours to receive one (1) year of service credit.

1 C. **LEAVES OF ABSENCE WITH PAY:**

2
3 1. **Bereavement Leave.** Employees are entitled to leaves of absence, not to exceed
4 five (5) days as a result of the death of any member of the immediate family or

7 family or reproductive loss. No deduction shall be made from the salary of the
8 employee, nor shall the leave be deducted from leave granted in other sections of
9 this Article. Members of the immediate family include mother, step-mother, father,
10 step-father, grandmother, grandfather, or grandchild of the employee or of the

13 employee or of the spouse of the employee; or any person having a principal place
14 of residence in the immediate household of the employee. Employees who take
15 bereavement leave shall be responsible for following all notification procedures as
16 per Section A. 5. of this Article.

17
18 2. **Imminent Death Leave.** Certificated employees under contract are entitled to two
19 (2) days (non-cumulative) imminent death leave at full pay during each fiscal year.
20 This type of leave may be authorized in case of accident or critical illness of a
21 member of the immediate family (as defined in paragraph one [1.] of this Section)
22 when death of the family member is imminent.

23
24 3. **Sick Leave:**

25
26 a. Sick leave entitlement shall be deducted using the following procedures

- 27

29 hours of leave

31 for the time, within their duty day, that they are off site.

32
33 For payroll computation:

34
35 .5 day = 4 hours leave
36 1.0 day = 8 hours leave

37

39 week (1.00 FTE) shall be entitled to the following leave of absence with full

- c. An employee in less than a full-time assignment and/or employed for less than a full contract year shall receive and have sick leave deducted in direct proportion to the percentage of the assignment; e.g., an employee with a fifty (50) percent assignment shall earn fifty (50) percent of what a hundred percent assignment shall earn.
 - d. **Kin Care Leave (Labor Code § 233):** Full time unit members shall be entitled to use six (6) days of accrued and available sick leave each school year to attend to an illness of or take to a doctor for preventive care a child, parent, parent in law, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. This leave shall be prorated for part-time unit members. The District may require a statement of verification from a physician or a recognized practitioner verifying the illness of the employee's family member.
 - e. Sick leave accrues at a rate of .056044 for each hour an employee has worked in an hourly assignment. Accumulated hourly sick leave may be used for absences in any hourly assignment. Contract sick leave may not be used for absences in an hourly assignment. If an employee serving in a contract assignment has exhausted his/her contract sick leave, accumulated hourly sick leave may be used prior to statutory sick leave.
 - f. An employee who claims sick leave may be required to execute a certificate or declaration to the effect that he/she was actually ill or injured on that day(s) before such sick leave may be paid.

Sick leave shall not normally be taken for minor elective or cosmetic surgery. Exceptions may be approved by the District physician.
 - g. When the District determines that an employee's health condition may be impairing job performance, Human Resource Services shall have authority to direct the employee to have a medical examination by the district physician, by a District-appointed physician at District expense, or by an employee-selected physician approved by the district physician and to be paid by the employee.
 - h. If a certificated employee under contract does not take the full amount of sick leave allowed in any school year, the amount not used is accumulated from year to year and accrued sick leave is credited toward time served for retirement purposes.
 - i. An employee's sick leave record is open to the employee's inspection upon request to the site payroll clerk. Sick leave accumulation shall be reported on each pay period.

1 j. Any bargaining unit member suffering from a catastrophic illness or injury
 2 who has exhausted all accrued sick leave may request sick leave donations
 3 under the Sick Leave Donation Program. A request to participate is
 4 submitted to the employee's principal/site administrator. Procedures for
 5 both the receipt and distribution of donated sick leave are provided as part
 6 of the Sick Leave Donation Program, which is Appendix E in this contract.
 7

8 4. **Personal Necessity Leave:** (Use of Sick Leave for Personal Necessity)
 9

10 a. Every employee shall be permitted to use not more than seven (7) days (12-
 11 month CDC teachers not more than eight (8) days) of sick leave per fiscal
 12 year for personal necessity (Education Code, Section 44981) consisting of the
 13 reasons listed in (1) through (8) below.
 14

15 (1) Death of a member of the immediate family as defined in Section C.1.
 16 above. (This is in addition to normal bereavement leave.)
 17

18 (2) Accident involving the employee's person or property, or the person
 19 or property of a member of the immediate family, as defined in
 20 Section C.1. above. Such accident must a) be serious in nature, b)
 21 involve circumstances the employee cannot be expected to disregard,
 22 and c) require the attention of the employee during assigned hours of
 23 work.
 24

25 (3) Appearance in court as a litigant. (The employee must return to
 26 work in cases in which it is not necessary to be absent more than
 27 half of the regular workday.)
 28

29 (4) Appearance as witness under an official order for which salary is not
 30 allowed. Each date of necessary attendance under such an order,
 31 other than the date specified in a subpoena, shall be certified by the
 32 clerk or other authorized officer of the court or governmental
 33 jurisdiction. In any case in which a witness fee is payable, such fee
 34 shall be collected by the employee remitted to Financial Services.
 35 (The employee must return to work in cases where it is not necessary
 36 to be absent more than half the regular workday.)
 37

38 (5) Illness in the immediate family of the employee as defined in Section
 39 C.1. above.
 40

41 (6) Home protection in the event of a natural catastrophe, such as
 42 flood or fire.
 43

44 (7) Compelling Personal Reasons. Maximum of five (5) days per fiscal
 45 year upon twenty-four (24) hours prior approval of the absence to the
 46 appropriate manager; for business or other legal activity of serious
 47 and compelling personal importance that cannot be conducted before

1 or after the workday. Such absences will not be approved on days
 2 immediately before or immediately after a District calendared holiday
 3 unless the employee notifies the appropriate manager at least forty-
 4 eight (48) hours in advance and provides the job number and the name
 5 of the person who has been confirmed to substitute for them.
 6

7 b. Where possible, and with the exception of (7) above, employees shall notify
 8 the site manager not later than 2:00 p.m. on the day prior to the workday when

 10

11 5. **Statutory Sick Leave.** If all regular and cumulative sick leave has been exhausted
 12 and a certificated employee under contract continues to be absent on account of
 13 illness or accident, the employee shall be entitled to an additional period of five (5)
 14 school months (one hundred [100] days) per each illness or accident. Compensation
 15 to the employee for each of these one hundred (100) days shall be at a rate of one-
 16 half (1/2) of the employee's daily rate. An employee shall not be provided more than
 17 one five (5) month period per illness or accident. However, if a school year
 18 terminates before the five (5) month period for the same illness is exhausted, the
 19 employee may take the balance of the five (5) month period during the subsequent
 20 school year. If an employee, having exhausted all available sick leave, continues to
 21 be absent on account of illness or accident beyond the five (5) month period and the
 22 employee is not medically able to resume the duties of his or her position, the
 23 employee, if not placed in another position shall be placed on a reemployment list for
 24 a period of twenty-four (24) months if the employee is on probationary status or
 25 for a period of thirty-nine (39) months if the employee is on permanent status.
 26 The twenty-four (24) month or thirty-nine (39) month period shall commence at the
 27 expiration of the five (5) month period. When the employee is medically able during
 28 the twenty-four (24) or thirty-nine (39) month period, the employee shall be returned
 29 to employment in a position for which he or she is credentialed and qualified.
 30

31 The District may require an employee to be examined by an independent licensed
 32 physician selected by the District to determine whether the illness or injury related to
 33 the same illness or injury previously claimed by the employee for the statutory sick
 34 leave.
 35

36 6. **Holidays.** A schedule of non-paid holidays shall be as set forth in the school
 37 calendar.

- b. Payment on any day during industrial injury or illness, when added to compensation granted an employee under the workers' compensation laws of California, shall not exceed the normal wages for the day's primary assignment.
 - c. If an employee is still receiving workers' compensation insurance benefits after entitlement to industrial injury or illness leave is exhausted, he/she shall be placed on regular sick leave, vacation leave, or statutory leave.

 - e. If the employee is no longer receiving workers' compensation insurance benefits, but is still unable to return to work as determined by the district physician, he/she is then placed on regular sick leave or other leave, as provided by this Agreement.

When the employee goes on one of these types of leave while receiving workers' compensation insurance benefits, he/she is entitled to only such payment as will provide full pay for the primary assignment when added to workers' compensation insurance benefits.
 - f. Before salary payments are made to an employee absent because of industrial injury or illness, a report of the illness or injury must be filed in the office of Risk Management.

 - i. During all paid leaves of absence, the employee must endorse benefit checks received under state workers' compensation laws to the District. The District will issue to the employee appropriate warrants and payments of wages or salary and shall deduct normal retirement and other authorized deductions. If combined payments under this regulation total less than the normal full salary, as in the case of an employee on statutory leave, the employee is not required to endorse to the District benefit checks received under workers' compensation laws. Pregnancy-related disability leave is charged to sick leave balances; if current, accumulated, and statutory sick leave benefits are exhausted within the period of disability, the remaining time that the employee continues on pregnancy-related disability leave shall be in a leave-without-pay status.  34 his/her work year, the employee shall, upon verification of service, be compensated.
 35 Employees who receive compensation from the court for jury service performed
 36 during a regular duty day, shall reimburse the district that exact amount. In the
 37 interests of supporting continuity of instruction, both the Association and the District
 38 encourage employees to postpone jury duty during non-work days. If an employee
 39 receives such a postponement, the District, upon receipt of verification, shall
 40 compensate the employee at the daily rate indicated below for jury duty served during
