**John Olgin
For
CTA State Council**

I have been an educator in LBUSD for 23 years. For the past four years I have served on the TALB Executive Board as Treasurer, where I give financial reports to the E-Board and Rep Council. I am also on Finance, Calendar, and Steering Committees. I have been a CTA Rep for the past three years, where I have represented our District I in Early Childhood Studies, Health and Wellness, and Student Support Services Committees. I hope to continue serving on CTA representing my constituents at TALB and advocating for those who feel they have been silenced.
